D -FREE - non-volatile decolorizing powder

Ensures high lightening in total respect of the hair structure. It has a low ammonia content of bleaching power while having less than 7 tones. Contains violet pigments acting anti-yellow and has a pleasant fragrance of mint that gently covers the smell of ammonia. The non-volatile powder allows perfect stability and applicability. It is simple to prepare, it mixes easily and quickly apply.

box: 1000 ml bottle with a handy measuring cup

D- CREAM - Whitener Paste

Ideal for discoloration of retouching, streaked with foil and balayage :

- ensures lightening up to 6 shades
- Quick and easy to use because its formulation is creamy without hardening
- is more secure both in the phase of preparation that in the phase of application because it avoids the direct contact with the product
- the tube is equipped with numbered notches which allow to perform a proportion fast and safe without the use of a measuring cup and without waste, saving time

box: 150 g tube in multiple pack of 6 pcs
