DECOLORANTE SCENTED - green apple

Decolorizing powder blue microgranular non-volatile fragrant green apple suitable for all bleaching techniques and all kinds of bleaching. Lightens up to 7 levels while respecting the structure of the hair, thanks to its formulation does not swell and always ensures a gradual lightening but decided to avoid the color change to yellow-orange tones.

method of use : mix in a non-metallic container 50 grams of DECOLORANTE SCENTED Shot with 100 ml of Oxidizing Emulsion Cream Shot. Shutter speed 20 to 45 minutes depending on the desired lightening.

box: box with 2 bags of 500 gr
