GET THE COLOR DOLCE

Get the Color Dolce is a permanent hair color completely free of ammonia, to offer all the advantages of a classical dye. It is the color best suited for those with sensitive skin, sensitization problems or want to explore the world of color cosmetics safely. The series Sweets Get the Color Dolce is in effect a permanent cosmetic coloring, gentle on the skin and hair, which guarantees the coverage of white hair. Lightens up to 2 tones and a half depending on the hair structure.
