INOA SUPREME INOA color cream

Anti-aging colouring without ammonia conceived to cover in the presence of a high percentage of white hair (from 70% to 100%).

- Double reflection Technology;
- No mixture;
- replenishes and respects the fiber;
- No-ammonia smell;
- comfort.

ODS2 TECHNOLOGY-DENSILUM

ODS2 technology leverages the power of oil to enhance the coloring system with a minimal amount of alkali. Offers optimal respect of hair and scalp comfort. The Densilum complex brings texture and strength to the fiber.

shades: available in 12 shades.

directions for use: measure and pour into a bowl of colouring cream 60 g 60 g + Oxydant Riche 20 volumes. Mix with the appropriate whisk until creamy and rich cream.

packaging: 60 g tube.
