H • ZONE COLOURING CREAM - without ammonia

permanent staining enriched with beeswax and shea butter. Provides hydration and nourishment to the hair during treatment. Its formula without ammonia acts respecting the hair fiber. Its creamy texture for easy application.

The Shea Butter, thanks to its fraction glycerol and its unsaponifiable fraction containing cinnamates, a natural sunscreen, nourishes the hair and protects it from the damaging effects of ultraviolet rays thus protecting the color and keeping it shiny.

Shades 43.

method of use : is applied to dry, unwashed hair, starting at the top of the head and then distributing the entire dyeing hair. After application leave on for about 30 minutes (40 minutes for the super lightening), then rinse with lukewarm water. Then proceed with the application of the H -Zone Shampoo for colored hair.

box: 100 ml tube.
