HAIR STRUCTURE STRUCTURE HAIR

finishing & styling

A range of products for finishing and styling that consists of several products with different tightness and consistency:

FOUNDATION HAIR PREP & PRIMER

An essential product that prepares the hair styling.

SHAPE TEXTURE CREAM

A modular texture and a semi- matte finish.

ADAPT TEXTURE PASTE

A paste of medium hold and a matte finish. With the ability to reshape the style from day to day.

STYLING CLAY SCULPT

To give shape and definition to the style and brightness.

DEFINE LIGHTWEIGHT SHINE WAX ??

Releases brightness, more refined styling flexibility. Ultra glossy, lasting for a definition of the style, but with the ability to reshape your look.

PASTE ADHESIVE FLEXIBLE

To define and create hairstyles and styles with strong hold and matte finish.

GLUE EXTREME CREAM

A perfect product to settle exaggerated hairstyles that defy gravity.
