permanent lotion

A lotion that combines acid and alkalis to curl your hair and create a permanent natural curl effect and without damaging the hair fiber.

Available in 3 formulations :

1. For normal hair and resistant
2. For hair dyed and chemically treated
3. For brittle hair

Odorless ammonia fixed and protects in just 10-15 minutes due to its complex formulation of Amino Acids and Proteins.

box: 100 ml bottle for about 3 applications
