WAVING SYSTEM - waving system

Natural undulations. Without thioglycolates, Ammonia and Peroxide water for a perfect and secure. The completely innovative formulation of Mossa lets you perfect movements in respect of the structure of the hair, thanks to the molecules of protein origin acting on biological affinity. With Sea Complex, a natural complex of marine origin and cysteamine, which is contained in the waving solution, reduces the sulfur bridges. WAVING SYSTEM available for resistant hair, natural or treated.

box: 100 ml vial
