DRYERS

Compact and stylish, they are the perfect tool to take on holiday for styling. Small, however, have a strong air flow, two heat settings and a beak close to an air flow concentrated.

The folding handle allows you to put the hair dryer in the smallest corners.

Features and Benefits:

- High performance at 1000 watts.
- 2 heat intensity and speed.
- Folding handle for travel and storage.
- Nozzle hold for a fast focused airflow.
- Ergonomic handle for easy styling.
- Removable rear grille to maintain the performance of the dryer.
- Mini speaker for volume and natural curls.
- Dual voltage for worldwide use.
- Adapter BS / European for the trip.
- Available in Floral, ZEBRA and FRACTURED.
