cold straightening emulsion

It is a specific product simple and quick to apply. PERSONAL DEFRIZEER allows you to have a straightening hair that is too wavy, curly or frizzy hair and it is thus possible to style any hair in the most modern lines.

method of use : after a shampoo comb your hair. Distribute without combing the hair straightening cream, taking care not to touch the roots. Put a cap and leave on for 5-10 minutes. Remove the cap and lightly comb using a wide comb. Rinse thoroughly and comb stretching the hair until completely eliminate the cream. Apply the neutralizing fluid, combing your hair and leave on for 10 minutes. At the end of the exposure time of the neutralizer rinse your hair and do a mild shampoo. It is not advisable to apply the product on particularly sensitized hair and delicate structure.
