CAPILLARY SENSITISED HAIR BATH

Dyed hair is bleached or treated Shampoo with sunflower oil is wheat germ oil and Marjoram. Sunflower oil thanks to vitamin E to vitamin F and the capillary fiber reinforcing substances contained therein , favors restoring the hair, s protective lipid mantle without rendering it excessive. Restores Shine , softness and volume to the hair is treated with a strongly non-vital dyes and bleaching and dried up. We recommend the use in combination with CAPILLARY MASK DRY HAIR COATED.

packaging: 250 ml bottle , 1000 ml bottle.
