SHECARE

reconstruction of damaged hair

SHECARE Inebrya is the program for the reconstruction of damaged hair. Day after day, in fact, the hair undergo the assault of multiple stress factors that compromise health and beauty:

- Frequent chemical treatments : coloring, bleaching, straightening, perms, etc.. ;
- Environmental factors, smog, smoke, humidity, radiation, UVA and UVB rays ;
- The use of mechanical devices such as hair dryers, plates, brushes ;
- A lifestyle more and more frantic.

Hair is so brittle, dull and lifeless, appear split ends and inside their structure is weakened and impoverished.

The laboratory R & D has developed Inebrya SHECARE : the intelligent reconstruction of damaged hair.

The range of products are formulated with special molecules SHECARE Interceptor, able to recognize the points where the hair is more sensitized, unstructured and porous and therefore perform an internal reconstruction and total waste.

SHECARE is a reconstruction program in 3 phases:

- CLEANSE - Cleansing

RECONSTRUCTOR BASIC SHAMPOO : restorative shampoo

- RECONSTRUCT - Reconstruction of internal and external
- RECONSTRUCTOR BALANCE CONDITIONER : revitalizing conditioner for fine hair.
- DEEP RECONSTRUCTOR MASK: hair mask deep medium and large.
- INTENSIVE LOTION RECONSTRUCTOR : intensive restructuring lotion for damaged hair, dry and treated.

- COMPLETE - Complete

RECONSTRUCTOR INSTANT SPRAY : moisturizing spray acidifying instant.

The secret of the formulation Shecare is called Bio -Trix Complex, innovative complex bio-molecular functionalized with :

- Wheat Protein, for a nourishing and moisturizing ;
- Keratin, for a restructuring internal and profound ;
- Polyquaternium -7, an action for conditioning.

The synergy of the three natural active ingredients facilitates the penetration of bio-molecules within the structure of the hair in depth and in a more concentrated at the points most affected.
