NAPURA

COLOR : TREATED HAIR

COLOR: CAPELLI TRATTATI

Exclusive

treatment formulated to prepare the hair fiber to receive the coloring pigments so that you can get the best results in intensity, uniformity and coverage of color tones.

M | 10 COLOR microproteins

Protein concentrate formulated to facilitate the hair fiber to absorb and fix the coloring pigments to the keratin structure. Silk Proteins and Minerals Ionized increase the capacity of union between the hair fibers and pigments. A pure Hydrolyzed Keratin strengthens the internal structure of the hair, creating the ideal conditions for high and stable color fastness. Using

Weekly.

Package : 30 ml bottle in a box of 5 pcs.

S | 10 COLOR shampoo

Specific shampoo to restore the altered quality of the treated hair. Made from ultra- soft natural surfactants SLS free, gently cleanses and protects color. Thanks to the antioxidant properties of extracts of red currant and revitalizing those of Silk Proteins, the hair appear shiny and soft. Weekly use.

packaging: bottles of 200 and 1000 ml.

C | 10 COLOR CONDITIONER MASK conditioning mask

Mask for treating and sensitized hair with highlights. Intensifies the color and the natural hair shine. The precious silk proteins penetrate the hair and strengthen it, improving its elasticity and hydration inside. Sericin has ameliorative effects on hair structure and stabilizes the color fastness prolonging its life. Thanks to its protective and smoothing and antioxidant action of the extracts of red currant, the scales will shrink and the hair becomes soft and shiny. Weekly use.

Container: 200 ml tube and 750 ml bottle.
