LOTION ANTI- HAIR FALL
LOZIONE PER CAPELLI ANTI-CADUTA

PLACENTA

Hydroglyceric placenta extract is known for its particular actions revitalizing, nourishing and toning. Its penetration into the superficial layers of the skin exerts a beneficial effect on hair growth.

ORTICA

The nettle is a plant rich in active ingredients, minerals, vitamins and proteins. Especially suitable for oily hair with tendency to dandruff.

box: 10 ml vials in carton of 10 pcs.
