### COLOR IGNITE COLOR IGNITE

delicate line for colored hair

The colored hair, are not all the same and do not all have the same needs. The hair with uniform color, hair with bleached hair and require different treatment, which not only protect but enhance the intensity of the color. Professional Sebastian COLOR IGNITE meets the needs of every type of woman who asks her hairdresser excellent and lasting results, offering a treatment that keeps the color more intense and vibrant. The range consists of COLOR IGNITE SINGLE, shampoo and conditioner for hair protection with uniform color and COLOR IGNITE MULTI shampoo and conditioner specifically for hair bleached or highlighted hair.

#### SHAMPOO COLOR IGNITE SINGLE

Protects hair with a uniform color. It cleanses and smoothes the hair structure by closing the cuticle. To maintain a vibrant color longer in time.  
instructions for use: Massage into wet hair to create a rich lather. Rinse thoroughly and proceed with the conditioner.  
Container: 250 ml bottle.

#### CONDITIONER COLOR IGNITE SINGLE

Protects hair with a uniform color. Creamy mousse that gives maximum shine to the hair, it conditions them and closes the cuticles. To keep longer an intense color from the vibrant luster.  
Instruction to use buffered after the excess water, spread the product over the entire length of the hair, paying particular attention to the tips and continue with thorough rinsing.  
Container: 250 ml bottle.

#### SHAMPOO COLOR IGNITE MULTI

Protects hair bleached or highlighted hair. It cleanses and helps protect color-treated hair from external damage. To maintain a vibrant color and bright longer in time.  
instructions for use: Massage into wet hair to create a rich lather. Rinse thoroughly and proceed with the conditioner.  
Container: 250 ml bottle.

#### CONDITIONER COLOR IGNITE MULTI

Protects hair bleached or highlighted hair. Creamy mousse that smoothes the hair

structure and gives maximum shine, moisturizing where you need to help protect them from external damage. To maintain a result of more intense color and vibrant longer. Instruction to use buffered after the excess water, spread the product over the entire length of the hair, paying particular attention to the tips and continue with thorough rinsing. Container: 250 ml bottle.
