INEBRYA MEN

It is the specific line of professional treatments for relaxation and well-being of the skin, hair and face entirely dedicated to men. Products fast and effective, perfect for the man from the hectic lifestyle that does not give up, however, and specific treatments aimed to take care of himself.

The hair, scalp and skin are different from those of men and women with specific needs. In particular :

- Man's hair are subject to a weakening physiological most obvious ;
- The scalp is more often, more fat and has more impurities ;
- The facial skin is more resistant but it tends to dehydrate more easily due to the frequent shaves.

Remove impurities, cleanse, oxygenate is the first step for the welfare of hair and body.

Inebrya MEN products are a real cocktail of well-being. This is made possible by:

- Energizing active ingredients as the EXTRACTS FROM THE MEDITERRANEAN Burdock and Rosemary by the action of purifying and sebum regulator ;
- SOY PROTEIN revitalizing that increase oxygenation and cellular metabolism ;
- CREATINE, great for protecting fine hair weak and brittle. Regular use reduces the physiological damage caused by the weakening of the hair, making conditioning, softness, tone and volume to the hair. Counteracts the effects of time, stress, UV radiation also strengthens the cellular metabolism and strengthening the skin's defenses.
- SOLAR FILTER for action and protective shielding from radiation and aging cameraphone.
- INEBRYA MEN : SPECIAL HAIR
