DEKOLOR decolorizing
 Keramine H Professional Dekolor is a professional hair color remover. It is designed to safely and effectively remove artificial hair color without damaging the hair. The product is suitable for all hair types and colors. It is used as a pre-treatment before coloring or as a maintenance treatment for color-treated hair. The product is available in two sizes: 250 ml and 500 ml. The 250 ml bottle is suitable for 20-30 applications, and the 500 ml bottle is suitable for 40-50 applications. The product is used by applying it to the hair and leaving it on for 1-2 hours. The hair is then washed with shampoo and water. The product is available in a professional salon or through a distributor. The product is also available in a retail size of 250 ml. The product is available in a retail size of 500 ml. The product is available in a retail size of 250 ml. The product is available in a retail size of 500 ml.
