BOTANICAL HAIR COLOR

A coloring ammonia free and p-phenylenediamine, which reduces the risk of respiratory allergies. Gentle on the scalp and less aggressive for the hair. Provides perfect coverage of white hair, does not stain the scalp and can be easily removed by rinsing. The formula is enriched with cocoa oil and natural extracts such as witch hazel, chamomile, birch, horse chestnut and St. John's Wort that nourish the hair and protect them, playing also an emollient, moisturizing, toning and cleansing. It also helps to improve the natural shine and elasticity of the hair.

box: 100 ml tube.
