CROMAKEY -OIL oil staining in high-tech ammonia-free

ROMAKEY -OIL is the new system of oil staining in high-tech ammonia-free and easy to use that covers and lightens up to 4 tones with extraordinary delicacy. It is a system of high-intensity color without ammonia pleasant smell, no fumes. Provides 30 % more lasting color thanks to the oil that penetrates further into the hair fiber. The oil-based formulation in treating alcohol oleic acid, oleic acid and cationic polymers makes your hair extremely shiny and brilliant. It lightens and it can also be used as a tone-on-tone. Covers gray hair 100% directly and does not stain the skin.

It is easy to apply and gives a pleasant feeling of well-being during application. In conjunction with Cromakey-Oil was created Cromakey -Oil Serum Protein, a non-rinse conditioner from the protein-based cationic keratin new generation, 100% absorbable by the hair, moisturizes and nourishes the hair favoring the absorption of color.
