THREE COLOR CREAM COLOUR

permanent color to Teatree Oil

THREE COLOR cream is a hair coloring, permanent, enriched with essential oil of tea tree soothing and protective. Formulated to ensure colors in absolute tranquility of result, it is easy to use and has no intense ammonia emissions. Ensures exceptional color stability over time and resistance to color change. It ensures total coverage and natural white hair giving, therefore, a natural result, opaque and durable. Thanks to the high quality cosmetics tricologica respects the hair, even the most fragile, treating them with kindness and giving them softness and shine. Easy to wash, does not stain the skin, lightens up to 4 tones without being required discoloration. Perfectly uniform color.

Shades the range includes 71 shades divided into series : NATURAL, RED, GOLD, ASH and SPECIAL

method of use : THREE COLOR ensures a smooth paste and readily miscible with THREE COLOR DEVELOPER that, formulated in version 10, 20, 30 and 40 vol., on a creamy, optimizes the desired result, making application easy

box: 120 ml tube
