INOA GLOW Permanent oil coloring

without ammonia for a pleasant fragrance

Permanent oil coloring with a natural effect of L'Oréal Professionnel, for a neutralized result and extreme lightness. It allows coverage of up to 30% of white hair and lightening up to 3 levels.

nuances: INOA GLOW offers a palette of 9 shades, from ash, irisé and moka. All shades lighten and neutralize at the same time, for a color with a super natural result compared to the classic INOA: they offer +30% light reflections (instrumental tests) and are up to 2 times lighter (classic VS Inoa instrumental test).

way of use: use exclusively with the oxidizer INOA 10, 20 or 30 Vol.

packaging: 60 ml tube.
