### MAJIREL COLORING CREAM BEAUTY

MAJIREL coloring cream beauty

-Perfect gray coverage.

-Innovative technology: patented Ionen G Incell ' two molecules and L'Oreal Professionnel's Act on the three areas of the hair (cuticle and cortical surface ' part) and also strengthened in depth and protecting the hair fiber.

-Deep treatment and perfect color: hair is restored from the inside so the color is stronger; the hair is rebalanced from root to tip so the color is perfectly uniform; the surface of the hair is smooth and protected so the color is absolutely more brilliant.
