MAJIREL GLOW for cold light reflections

New generation of bright permanent colors for a natural effect that enhances cold light reflections.

Created for all hair bases, Majirel GLOW can be applied to both natural and colored hair with less than 30% grey hair.

nuances: offers a palette of 18 shades for ultracold reflections.

Light base nuances can be applied on bases 6 to 10 (dark blond or light blonde).

Dark base tones can be applied on bases 1 to 5 (black to light brown).

This is an elegant and complete system of cold and bright reflections that uses beige, ash, iridescent and opaque shades. Lightening power up to 3 tones.

Pack: 50ml tube.
