### EASY ABSOLUTE 3

senza ammonia, PPD, resorcinol

Extremely delicate color and service designed for those who have sensitive skin problems. EASY ABSOLUTE success is due to its MICROEMULSION anti-age COMPLEX , the complex capable of preventing the aging of hair structure: the MicroEmulsion slows the initial velocity in the oxidation mixture (colouring cream + Developer) , increases the intensity of the color and promotes a faster release of assets dyes within the cortex capillary.

Today the MICROEMULSION COMPLEX has been enriched with A3 PIGMENTS , colours pigments that is anchored in capello, s last longer by keeping unaltered the colour , shampoo after shampoo. Enriched with ARGAN OIL & KERATIN , leaves the hair soft and silky even after the color. UNBEATABLE COVERAGE easy to apply without intermediate mixes with other nuances , guarantees a 100% coverage of white hair without adding natural basis for a long-lasting color is brilliant as just did.

- Safe and gentle on the skin;
- High seed;
- Incredible Brilliance;
- Colour Duration.

**shades:** available in 55 colors + RED PASSION 4: , RUBY CORAL , MAHOGANY COPPER containing new innovative dyes pigments that provide , red , also firmness and color depth for an enviable result is intriguing and multi-faceted way. Versatile and directed , but young aristocrat and complete. The range of SUPERLIFT and TONALIZZANTI offers an extraordinary result and a superior beauty. A more neutral performance ultrachiara and contrasting yellow hues during the breakdown of melanin. The safety and tranquility of Easy formulation Absolute 3 allows brilliant results across the border of 5 BLEACHING TONES.
