### CC COLOR NEVITALY

Permanent hair color cream

Color service with formula based on essential oils and natural extracts from Uk Forests that help to prevent and overcome skin issues. CC COLOR NEVITALY is no ammonia and no Ppd, with antibacterial active; the formula is enriched with walnut, which protects and hydrates the hair extending the color effect, and with horse chestnut for a multifaceted color and illuminated by bright reflections. CC COLOR NEVITALY is easy to apply for the professional, offers a 100% coverage of grey hair and a lightening up to 4 tones.

**packaging:** 100 ml tube.
