FIRST CAVIAR PRIMA CAVIAR

cosmetic coloring gel caviar without ammonia

A line of SOA caviar that enriches the products of essential amino acids, proteins and fatty acids, trace elements and iodine all crucial to counteract mechanical stress and chemicals. It promotes the restructuring and revitalization of the hair structure and helps to restore the lost nutrients.

A cosmetic coloring bivalent gel without ammonia caviar, perfectly covers gray hair, enhances the natural color and reflections and leaves hair soft, shiny and hydrated.

box: bottle of 120 ml
