CHI TRANSFORMATION SYSTEM CHI TRANSFORMATION SYSTEM

An exclusive system designed to permanently transform the hair, without the use of ammonia. All CHI products and accessories are developed and formulated to work synergistically within the CHI TRANSFORMATION SYSTEM. Transform all hair types from curly or frizzy hair into smooth and silky. The CHI TRANSFORMATION changes people's lives, biologically transforms the hair and improves rebuilding. The four key elements of the system for the processing of the hair are :

- Ceramic
- The power of the ions
- The bond of moisture
- Pure natural silk

The combination of all these elements creates the CHI TRANSFORMATION SYSTEM, which is a new proposal for the customers. Each serving of transformation WHO takes about 2 hours of time (much less than other similar services that reach to 8 hours). The plate and the hair dryer CHI are fundamental tools in the use of CHI TRANSFORMATION SYSTEM.
