SERIES CASABLANCA - MOD. AUDREY

MOD. AUDREY

Thanks to the stability emphasized by the size of the rings for the fingers, it is possible to optimize the effort while cutting scissors giving the maneuverability and reduced fatigue in prolonged cuts.

Characteristic of the particular curvature of the blades. The model is equipped with a silencer.

Available sizes (in inches) : 6.0.

Materials Steel 440C forged, heat treatment at different tempering which optimizes the relationship between the high hardness of the cutting edge with the enhanced flexibility of the scissors.

Microgrid blade cutting, grinding gridd 6000, concave grinding, razor wire.
