It supplies the international market, with production is in California, Los Angeles, than in Europe, Italy. It's one of the societies leader in the field. The CBH objective is that one to illustrate to the customer the beneficial property of the natural products for hair and to answer to the need protect hair from the cellular degeneration. Excellence and innovation of the Chenice products Beverly Hills, with to the optimal product life and to a cured aspect offer something of special to hair of the customer. CBH is the only company to have introduced the technology Lipos in all its range of **hair products**.

KERABOND

A special formula with Liposomes, Keratin Amino Acids and Natural Active Ingredients make Kerabond a line of products that solves every type of scalp and hair problems. Chenice Beverly Hills Liposomes rich of Pro-Vitamin B5 nourish scalp and hair adding natural body, bounce and softness. Keratin Amino Acids bind to the hair, re-constructing the parts damaged by chemicals giving strength, softness, body and shine to the hair. The Natural active ingredients carry out an empowering action, regulating the production of sebum, dandruff and hair loss. In addition, together with the Liposomes and Keratin Amino Acids re-enforce the hair shaft leaving it soft, shiny and silky.

RE-CONSTRUCTION

Oily scalp and dandruff seem to be a problem of the past, in reality it is not quite like it. The fact is that now days we wash our hair so often that it is impossible for us to realise if our scalp is oily or we have dandruff. Most times we make things worse by using inadequate products. Our personal

consultant, our hairdresser, will certainly make an accurate scalp diagnosis and then suggest the right for our scalp and hair.

HYDRO-KERATIN SHAMPOO

Hydro-Keratin Shampoo: Contains Hydrolized Keratin. It has been enriched with amino acids which bind to the natural hair keratin re-enforcing the hair shaft. Directions: Apply the necessary amount and gently massage. Rinse well and if required repeat the operation.

MULTI-VITAMIN OIL

Multi-Vitamin Oil: Enriched with a Multi-Vitaminic complex and anti-oxidant agents which restore the hair making it shiny and soft. Directions: Apply the product to whole hair and comb it through. Leave it to process for 5-10 minutes. Rinse thoroughly.

KERABONDING MASK

Kerabonding Mask Permanently repairs chemically damaged hair making it stronger and shiny with natural bounce and body. Directions: Apply the product to whole head and leave it to process for 5/10 minutes. Rinse with abundant warm water.

PURE SHEEN

Pure Sheen Specifically formulated for dry fuzzy hair, it gives shine without making the hair oily. It eliminates fuzz and static electricity. Directions: Spray to whole hair holding the bottle 20 cm. away from hair.

PURE SILK

Pure Silk: Rich of silicon, it closes the cuticle adding softness and a silky feel. It eliminates static electricity. Directions: Apply the product to either wet or dry hair.

RESTRUCTURING MOISTURIZING

Oily scalp and dandruff seem to be a problem of the past, in reality it is not quite like it. The fact is that now days we wash our hair so often that it is impossible for us to realise if our scalp is oily or we have dandruff. Most times we make things worse by using inadequate products. Our personal consultant, our hairdresser, will certainly make an accurate scalp diagnosis and then suggest the right for our scalp and hair.

MOISTURIZING WASH SHAMPOO

Moisturizing Wash Shampoo : With Liposomes, enriched with FILMING, hydrating and conditioning agents. Used in combination with Moist Control, re-hydrates dry scalp and hair. Ideal for frequent use. Directions: Apply the necessary amount and gently massage. Rinse well with warm water.

MOIST CONTROL
